The PROGRAM FOLIO, a service to KPFK subscribers, is published bi-weekly by KPFK (FM 90.7 mc) which serves Southern California. KPFK broadcasts 17 hours a day of music, drama, public affairs and programs for children. The station promotes discussions of all points of view, but endorses none.

Anyone can listen, but those who want creative and provocative programming support KPFK. The basic annual subscription is \$12.00. Contributions are tax-deductible because KPFK is non-profit. Sustaining, \$25.00; Contributing, \$50.00; Patron, \$100.00; Participating, \$250.00; Lifetime, \$1,000; Student, \$5.00 (six months); Introductory, \$3.00 (three months). Subscriptions are transferable to KPFA, serving Northern California (2207 Shattuck Ave., Berkeley) and WBAI, serving the New York area (30 E. 39th St., N.Y. 16).

KPFK and these two other listener-subscription stations form Pacifica, a non-profit corporation. KPFK programming has been favorably reviewed by THE SATURDAY REVIEW, THE LOS ANGELES TIMES, THE NATION, THE NEW YORKER, THE CHRISTIAN SCIENCE MONITOR and numerous other publications. KPFK has received a PEABODY, broadcasting's highest award.

KPFK transmits from Mt. Wilson with a power of 75,000 watts. The mailing address is KPFK, Los Angeles 38, California. Studios and offices are located at 3729 Cahuenga Blvd., North Hollywood. TR 7-5583, ST 1-0150.

Program Talk

As all of you know, KPFK has weathered another year due to your patience, your donations, your subscriptions and the countless hours of work which many have volunteered.

The subscription drive of last Oct. and Nov. proved there are thousands of potential subscribers just waiting to be asked for their \$12.00. If you did not ask a friend to subscribe last year be sure to do so in 1962. Just one friend from each of you and we will have reached our goal and there will be no need for further subscription drives.

With your continued support and the support of new subscribers our resolution for 1962 is to continue to bring you more quality programming. The entire staff of KPFK wishes every subscriber a most happy and peaceful 1962.

about music

On December 31 we pass the gates through which most of the festivals cannot go, such as Salzburg (with some available afterwards). Vienna, Prague; but some fine things from the BBC are coming up musically: Aldeburgh, with Britten, Pears Bream, et al., Edinburgh, with Karajan, Vishnevskaya (accompanied by pianist-husband, Mstislav Rostropovich!) et al., and Bayreuth's Parsifal at Easter. We were depressed over some of the acoustical quality of the festivals from BFA, but at least this year we HAD them. Next year??? — think BIG. Incidentally, it's a disappointment to me that there are so few requests: isn't it one basic idea in Pacifica Radio that there is close contact between listeners and programmers? We make up our own morning concerts now and have tried to make them really special for pre-coffee time, no grand gestures, no hysterical pathos, no sudden extreme changes of any sort. But generally all we hear from you is: "Who wants chamber music in

the morning?" or "Too much (too little) of!" Sometime try writing in, "I'd like to hear at a.m. (p.m.)." We'll play it just for you.

Music Director

about public affairs

We have just heard from William Winter and he feels that due to a tremendous load of commitments he will be unable to continue his special programs for KPFK. He promised, however, that if his present workload eases in any way he will resume his special broadcasts for us and looks forward to doing so.

Several programs in Public Affairs which are being re-broadcast due to the relentless demands of two groups of people — those who heard them and desire to hear them again and those who did not hear them the first time! C. P. SNOW in his three 1961 Godkin lectures will be re-broadcast on consecutive nights beginning at 8:30 p.m. on Monday, January 1st. As the program MEXICO AND THE LEFT did not arrive in time for broadcast in November, we have re-scheduled it for Tuesday, December 26th at 8:45 p.m. and Saturday, December 30th at 10:15 a.m.

The WILLIAM JAMES Lectures from Harvard begin on Sunday, January 7, at 10:15 a.m.

about children's programs

MORE PROGRAMS FOR CHILDREN will be inaugurated on Saturday, January 6, from 10:30 to 11:00 a.m. We are happy that Mr. Noel Langley will read his own book THE LAND OF GREEN GINGER "story for all children sophisticated enough, and all grown-ups simple enough . . ." to begin this very special addition in our programming.

please note

For those of you who have been plagued with poor reception of our programs on your tuners and radios, some wise words under the title "KPFK Reception Information" is now available. Yours — for sending a #10 self-addressed and stamped envelope to KPFK, Los Angeles 38.

the cover

we hope, will make you curious enough about our first record "The Lively Air" to rush your money to the station, ordering one or more of this collector item. (we are pressing 1000 only . . . so hurry, hurry, hurry and enjoy, enjoy, enjoy!)

BROADCAST HOURS: 7 a.m. to 12:00 midnight, seven days a week. Dates of future broadcasts appear in BOLD FACE, caps and parentheses. Example: (DECEMBER 30). Dates of original broadcasts in light face and in parentheses. Example: (December 30). Numbers in parentheses following listing of musical selections refer to time, in minutes.
